CAPO 3

Am Dm G Am F G Am Am

Am Dm Cast off, sail away
 G Am Maybe I'll be back someday
 F G Am Am It don't seem likely, but it's anything can be
 Am Dm Mama, Daddy, don't you cry
 G Am You always knew that I'd say goodbye
 F G Am Am I got a beauty of a berth on a ship just made for me

F F She's the sweetest little darlin' that you'll ever find
 Am Am A wee bit battered but the best of her kind
 Dm Dm E E And she'll run forever with a good hand on her heart
 F F I'm a little out of place when I'm on the ground
 Am Am And that's the reason why I'm outward bound
 Dm E Am Am Oh, can't you see that I'm a Firefly's missing part?

Am Dm Time's up, have to run
 G Am I can't sit idle when there's work needs done
 F G Am Am You raised me right and you know I'll make you proud
 Am Dm You both know that I'll be fine;
 G Am This world's for you, but the whole sky's mine
 F G Am Am And I'll go just as far as an engineer's allowed

F F On the sweetest little darlin' that you'll ever find
 Am Am A wee bit battered but the best of her kind
 Dm Dm E E She'll run forever with a good hand on her heart
 F F I'm a little out of place when I'm on the ground
 Am Am And that's the reason why I'm outward bound
 Dm E Am Am Oh, can't you see that I'm a Firefly's missing part?

F Dm G G What's the point in havin' wings if you never leave the nest and fly?
 F Dm G E What's the point in havin' dreams if you never reach out for the sky?
 F G Em Am I'll never know my limits if I never even try
 F F E E E E You ain't raised no farmer's wife, you've raised the mechanic of a Firefly!

Am Dm G Am F G Am Am
 Am Dm G Am F G Am Am

Am Dm Big sky, bigger plans
 G Am I'm doin' what my heart demands
 F G Am Am I'm gonna treat that engine sweet, and she'll take me far
 Am Dm When folks wonder after me
 G Am Just say I found Serenity
 F G Am Am Where the sky ain't the limit, I'll be shining like a star

F F Cause this Firefly's the place that I'll make my home
 Am Am And while she still flies, you know I'll still roam
 Dm Dm E E So much to do, and now it's time to start
 F F I'm the kind of girl who loves the simple things
 Am Am And I can hear the future when my darlin' sings
 Dm E Am Am Oh, can't you see that I'm a Firefly's missing part?
